15<sup>th</sup> February, 2008.

Y.Bhg. Datuk Seri,

**Sub: Zaitun Kasim for PJS**

I as named above am a registered voter in the PJ Selatan (PJS) constituency.

Referring to the above, I am requesting your party's support for the candidacy of Zaitun (Toni) Kasim as an independent candidate under your party's ticket for the upcoming 12<sup>th</sup> General Elections.

I have been a sincere BN supporter all these years and am now fed up and had enough of BN's race based political parties and the way they have been running the country. As a constituent of PJS I want a representative who will serve the interests of the people of PJS and all Malaysians as a whole.

My support for Toni is based on her track record and her involvement in a wide range of issues and activities for the benefit of the people over the past years. She has always portrayed herself to be a people's person and always puts the interest of the people first when carrying out her duties. The duty of care is an important virtue of a good leader which is sadly absent in our current leaders. She also happens to be a candidate from the Women's Candidacy Initiative (WCI), an initiative that has an Election Manifesto that has my support.

I want a candidate who will represent the people and their aspirations in the parliament and I feel that Zaitun Kasim, given her many years of work with the people of PJ, will live up to that expectation. I hope that you, sir, and your party will support and accept Zaitun Kasim to contest in Petaling Jaya Selatan under the PKR ticket.

Let's make this General Election a successful one for all Malaysians who believe Malaysians deserve better than what they are getting now. Let's make this General Election an election for Bangsa Malaysia. I am confident that with you and your party's support, this vision of mine is that much closer to becoming a reality.

Thank you for taking time off from your busy schedule to read this letter

*"Towards A Clean & Fair Elections"*

Sincerely,

.....

DR.SARAVANAN RAMASAMY
